

2-Day Preschool News

October 18, 2021

Message from Ms. Barker

Hello preschool families!

This week, we will continue our unit on Night/Sleep. We will be learning about the differences between day/night, the importance of sleep, bedtime routines, and nocturnal animals. You can help reinforce these skills at home by establishing a bedtime routine with your child. Check out the resources section on the classroom website for some bedtime routine visuals you can use together at home each night! Also, please refer to the email regarding the Family Education Night for last week for some tips on sleep and bedtime routines that you may find beneficial for your child.

Check out the link on the 2-day class page for [weekly Bible newsletters](#)! This week, we will be on Week 7. You can help by reviewing this story with your child together at home.

Pictures were added to the classroom website last week! Take a look at what's been going on inside of our classroom recently. For those of you who did not fill out a photo permission slip form or who specified "classroom use only" your child's face will not be included in any pictures on the classroom website. If you would like to change this, please let me know and I can send you a new form to fill out and sign.

The Fall Festival is coming up! Immanuel students do not need to purchase wristbands, thanks to a generous donation. However, you will still need to specify that your child needs a wristband. If you'd like to participate in the festival activities with your child or if your child has older siblings who are not Immanuel students, you will need to purchase wristbands (\$6 each). An order form was sent home previously. Please let me know if you need a new one.

As always, please do not hesitate to contact me with any questions or concerns. ☺

Skills of the Week

Number: 2 (two)

Ways You Can Help

Thank you to those of you who donated magnetic letters/numbers to our classroom!

You may have read in the all-school newsletter that we are looking for gift cards or good or services to include in our Silent Auction at the Fall Festival next month! If you'd like to donate any items or special talents for the auction, please send them to school with your child, drop them off with Mrs. Fleming, or contact Ms. Barker/Mrs. Fleming to make arrangements/discuss ideas.
