## Message from Ms. Barker

Hello preschool families!

This week, we will finish our Christmas unit! Centers will be gradually switched out to reflect the Christmas theme. We will also be learning about Jesus' birth. Because we are a Christian school, we will be focusing on Jesus' birth at Christmas time and not on other elements related to Christmas (such as Santa).

During Bible Time, we will be learning about Jesus' birth and will also be rehearsing songs for our Christmas program. Due to the large number of preschool students this year, 2-day will be having a separate performance before their Christmas party on December 16<sup>th</sup>. Family members are invited to attend the performance and to stay for the party afterward. The performance will begin at 10:45 AM and should only last a few minutes. Then, we will transition to the Library for the Christmas party. An email containing additional details for the Christmas program (what to wear, where to meet, songs to practice, etc.) was sent out last week. Please let me know if you are unable to find it and need me to forward it to you again.

We will try to get to skills and fancy words this week, but may not get to them depending on how the day goes with our Christmas program rehearsals.

Our Christmas Party is on Thursday as well, directly following the Christmas program. Family members are welcome to join us following the program. The party will be in the library and will end by 11:45 AM at the latest. A sign up sheet was sent out last week and a link is included in the "Ways You Can Help" section of this newsletter.

As always, please do not hesitate to contact me with any questions or concerns. ☺
