Message from Ms. Barker

Hello preschool families!

Welcome to our first full week of preschool! We had a great start last week. There were only a few tears at drop-off initially. We are looking forward to another great week in preschool together!

As we ease into classroom rules and routines, we will not begin any small groups at this time. We hope to start small group activities in September once the children have had time to learn how to play in centers. We also will not begin any letter or number activities at group time just yet. For now, we are focusing on songs and games to learn each other's names! You can help reinforce this at home by talking to your child about his friends/classmates at school. See if your child can name one or two new friends when he comes home each day! We have 22 students total in our class, so it might take some time for your child to learn everyone's name and that is okay.

I plan to post a couple of optional activities on SeeSaw by Tuesday evening that you can choose to try at home. I will send out an email once activities have been assigned. Remember, these are optional. However, I encourage you to check them out just to get an idea of what SeeSaw is like.

As always, please do not hesitate to contact me with any questions or concerns. ☺

Skills of the Week

None this week, as we are still learning classroom rules and routines.
