Message from Ms. Barker

Hello preschool families!

We will be modifying the drop-off procedure a little bit for the two-day class to help ease the transition for your child. Please refer to my email as well as the updated drop-off procedures under the Resources tab on our classroom website.

This week, we will continue focusing on games and activities to get to know each other better. Next week, we will begin learning some numbers and identifying the letters in our names.

Check out the new link on the 2-day class page for [weekly Bible newsletters](#)! Last week, we did "Week 1" and this week we will begin "Week 2." I apologize for the delay in posting these. I had to scan the letters and save them on my computer. Hopefully you will find this resource helpful in making connections at home with what we are learning during Bible time at school. You will notice that the Week 1 letter mentions [The Story Bible](#). I included a link so that you can purchase a copy to keep at home if you wish. You may find this helpful for reviewing stories together as we learn them in class. I will also be publishing a blog post with additional Bible resources you might find helpful for your child.

I loved seeing all of the SeeSaw posts this weekend! Keep up the awesome work! More activities will be added this week, too, if you'd like to try some!

As always, please do not hesitate to contact me with any questions or concerns. ☺

Skills of the Week

None this week, as we are still learning classroom rules and routines. We will have a number of the week next week.

Fancy Words

Community- A group of people who grow, work, or play together

Ways You Can Help

Safety week is coming up at the end of September! If you have a job as a first responder (firefighter, police officer, EMT, etc.) and would like to come in and talk to our class about what you do, please contact Ms. Barker to set up a day/time!
