September 20, 2021

Message from Ms. Barker

Hello preschool families!

If you would like to bring in a family photo for your child or email me one to print, please do. This may help your child transition into the classroom each day. It has been a big help for many students already! I can laminate the photos so that they do not tear. I will do my best to bring them upstairs with me when I pick up the students each day.

This week, we will continue learning some numbers and identifying the letters in our names! You can also reinforce these skills at home together with your child. A fun way to do this is with playdough, shaving cream, or chalk! Here is a [blog post](#) with some additional ideas of how to practice letters and numbers with your child at home!

We will also continue our Safety and Community Helpers unit of study this week. School Safety Week is this week! We will be learning about and practicing various safety drills. We will also have a visit from the Fire Department on Thursday morning!

Check out the new link on the 2-day class page for [weekly Bible newsletters](#)! This week, we are on Week 5. We will be learning about Abraham's son Isaac. You can review this story together at home with your child.

Picture Day is around the corner! It will be on October 6. 2-day does not have class that day, but you can bring your child in for his picture at 10 AM. Or, you can wait until picture retake day in November, which will be on a class day for 2-day.

Family Education Night is coming up on October 5th! Due to the rising number of COVID cases in the area, this event will be held virtually over Zoom.

If possible, please put your child's name on his water bottle. Some students have the same water bottle and this will help ensure that water bottles do not get mixed up.

Also, if you can, try to email both teachers, especially when regarding absences or change in pick up. Ms. Heather may be able to reply more quickly. Also, if I am ever out, Ms. Heather will need this information.

As always, please do not hesitate to contact me with any questions or concerns. ☺

Skills of the Week

Number: 1 (one)

Fancy Words

Neighbor- A person who lives in your community or is part of your community

Ways You Can Help

We are continuing our Safety and Community Helpers Unit of Study. If you have a job as a community helper and would like to schedule a time to come into our class to talk about your job this month, please contact Ms. Barker. We would love to have you!

Also, if you have any magnetic letters/numbers or tiles, etc. to donate for us to use for classroom activities, we'd really appreciate it!
