

2-Day Preschool News

September 7, 2021

Message from Ms. Barker

Hello preschool families!

The modified drop-off procedure appears to be working well so far! Thank you for your help in implementing this change. Overall, students are transitioning into the classroom better. If you would like to bring in a family photo for your child or email me one to print, please do. This may help your child transition into the classroom each day. I can laminate the photos so that they do not tear. I will do my best to bring them upstairs with me when I pick up the students each day.

This week, we will begin learning some numbers and identifying the letters in our names! You can also reinforce these skills at home together with your child. A fun way to do this is with playdough, shaving cream, or chalk!

We will also begin our Safety and Community Helpers unit of study this week. School Safety Week will be the week of September 20th. We will be learning about and practicing various safety drills that week. New toys and books will be placed in classroom centers reflecting the current unit of study.

Check out the new link on the 2-day class page for [weekly Bible newsletters!](#) This week, we are on Week 3. We will be learning about Noah and the flood. You can review this story together at home with your child.

I loved seeing all of the SeeSaw posts this weekend! Keep up the awesome work! More activities will be added this week, too, if you'd like to try some!

Skills of the Week

Number: 1 (one)

Fancy Words

Neighbor- A person who lives in your community or is part of your community

Ways You Can Help

We are beginning our Safety and Community Helpers Unit of Study. If you have a job as a community helper and would like to schedule a time to come into our class to talk about your job this month, please contact Ms. Barker. We would love to have you!

Also, if you have any magnetic letters/numbers or tiles, etc. to donate for us to use for classroom activities, we'd really appreciate it!
