## Message from Ms. Barker

Hello preschool families!

This week, we will begin our Winter/Snow unit. We will be learning about snow, activities to do in the snow, season changes that come with winter, and Arctic animals. You can reinforce these topics at home through books, discussions, and daily interactions, especially if we get some snow this month (supposedly, we are supposed to be getting snow Thursday night).

During Bible Time, we will be learning about the Wise Men visiting Jesus. This is Week 17 and the corresponding Bible newsletter will be added to the Bible Family Letter section on the classroom website later this week. You can help reinforce this story at home by reading it together.

Enrollment for next school year starts on February 1<sup>st</sup>! Mid to late January, I will be emailing you with my recommendation for your child's placement next school year. There will also be opportunities for you to schedule a time to meet with me or talk on the phone to discuss the recommendation, if you choose. Also, if you have any questions regarding enrollment or possible scholarships/financial assistance for next school year, please reach out to Mrs. Fleming. She would be happy to meet with you!

With the forecasted snow this week, I just wanted to remind everyone that Immanuel will follow Hamilton City Schools regarding school closings. School closings can be found on the News stations and will also be posted on Immanuel's Facebook page. Please also make sure your contact information on your FACTS account is correct to ensure you are receiving texts/emails/calls from the school regarding closings and also to ensure you are receiving classroom emails.

As always, please do not hesitate to contact me with any questions or concerns. ☺

### Ways You Can Help

If you would like to donate items for our classroom prize box, they would be greatly appreciated! Please no candy/edible items. Leftover birthday party favors make for great classroom prizes! If you have any small toys lying around the house you are looking to get rid of, we will use them! Please place them in a bag inside your child's backpack labeled "prizes" or "prize box." Please also include a note in your child's folder so we know to check your child's backpack. Thank you! ☺
