## Message from Ms. Barker

Hello preschool families!

This week, we will continue our Safety and Community Helpers unit of study. School Safety Week is this week! We will be learning about and practicing various safety drills. We had a visit from Officer Collins this morning (Monday). We will also have a class parent visiting our class on Wednesday to talk about his job as a firefighter!

Check out the new link on the 3-day class page for [weekly Bible newsletters](#)! This week, we are on Week 5. We will be learning about The Tower of Babel. You can help by reviewing this story with your child together at home.

Family Education Night is coming up on October 5<sup>th</sup>! Due to the rising number of COVID cases in the area, this event will be held virtually over Zoom.

If possible, please put your child's name on his water bottle. Some students have the same water bottle and this will help ensure that water bottles do not get mixed up.

Also, if you can, try to email both teachers, especially when regarding absences or change in pick up. Ms. Heather may be able to reply more quickly. Also, if I am ever out, Ms. Heather will need this information.

You can help reinforce some of the skills we learn at school with your child at home. Here is a [blog post](#) with some additional ideas of how to practice letters and numbers with your child at home!

As always, please do not hesitate to contact me with any questions or concerns. ☺

### Skills of the Week

Letter: T t

Number: 4 (four)

### Fancy Words

Neighbor- A person who lives in your community or is part of your community

### Ways You Can Help

We are continuing our Safety and Community Helpers Unit of Study. If you have a job as a community helper and would like to schedule a time to come into our class to talk about your job this month, please contact Ms. Barker. We would love to have you!

Also, if you have any magnetic letters/numbers or tiles, etc. to donate for us to use for classroom activities, we'd really appreciate it!
