Letter from Ms. Barker

This month, we will continue our spring unit! Centers will be switched out to include toys and activities that reflect the current theme. A major highlight in our centers right now is the flower shop in the Dramatic Play Center! Reinforce these skills at home by talking with your child about the signs of spring. You could even go for a walk outside to see what signs of spring you can find together!

Skills we are focusing on this month: letters F through M, numbers 6 through 10, and measuring.

The school Walk-A-Thon is coming up at the end of this month. It will launch right before spring break. Keep an eye out for envelopes in your child's folder to collect donations. We will also need 2 to 3 volunteers to help with the class Walk-A-Thon on Friday, April 27th. It will take place during class. If you would like to help, please email me.
