

5-Day Preschool News

October 25, 2021

Message from Ms. Barker

Hello preschool families!

This week, we will be concluding our unit on Night/Sleep. We will be learning about the differences between day/night, the importance of sleep, bedtime routines, and nocturnal animals. You can help reinforce these skills at home by establishing a bedtime routine with your child. Check out the resources section on the classroom website for some bedtime routine visuals you can use together at home each night! Also, please refer to the email regarding the Family Education Night for last week for some tips on sleep and bedtime routines that you may find beneficial for your child.

Check out the link on the 5-day class page for [weekly Bible newsletters](#)! This week, we will be on Week 9. You can help by reviewing this story with your child together at home.

Pictures were added to the classroom website last week! Take a look at what's been going on inside of our classroom recently. For those of you who did not fill out a photo permission slip form or who specified "classroom use only" your child's face will not be included in any pictures on the classroom website. If you would like to change this, please let me know and I can send you a new form to fill out and sign.

Our Harvest Party is this Friday! **Only family members who are volunteers will be able to join us for the party**, unless the weather is nice enough that we can go outside. I will email you by Thursday to let you know how the weather is looking for Friday. We appreciate your understanding!

Parent teacher conferences are next month! An email was sent out last week with a sign up [link](#). Please choose a time that works for you if you have not already done so.

As always, please do not hesitate to contact me with any questions or concerns. ☺

Ways You Can Help

Please sign up for a time to meet with me at parent teacher conferences next month to discuss your child's progress this school year! I'm looking forward to meeting with each of you.

Also, please [sign up](#) for items for our party this week, if you have not already done so.

Skills of the Week

Literacy: We will be practicing with beginning sounds/alliteration, letter sounds, letter identification, and writing skills.

Math: We will be focusing on the number 6 (six) this week. We will also be practicing with subitizing and number identification/counting.

Reminders

11/8-11/19 Parent/Teacher Conferences
11/15 No School (P/T Conferences)
11/16 Picture Retake Day
11/22-11/26 No School
