Message from Ms. Barker

Hello preschool families!

This week, we will finish our Christmas unit! Centers will be gradually switched out to reflect the Christmas theme. We will also be learning about Jesus' birth. Because we are a Christian school, we will be focusing on Jesus' birth at Christmas time and not on other elements related to Christmas (such as Santa).

During Bible Time, we will be learning about Jesus' birth and will also be rehearsing our Christmas pageant. The preschool Christmas program (3-day & 5-day classes) will be on the evening of December 15th before the church Advent service, starting at 6:15 PM. Preschoolers should be dropped off in the preschool classroom at 6:00 PM. Families are also invited to stay for the Advent service following the program. An email was sent out last week containing additional information for the Christmas program (what to wear, location, songs to practice, etc.). Please refer to the chart in the email to determine what your child should wear based on his/her role in the program. If you are unable to find this email and need me to forward it to you, please let me know.

We will try to get to skills and fancy words this week, but may not get to them depending on how the day goes with our Christmas program rehearsals.

Our Christmas party is on Friday. A sign up sheet was sent out last week. There is also a link in the "Ways You Can Help" section of the newsletter.

As always, please do not hesitate to contact me with any questions or concerns. ☺
