## Message from Ms. Barker

Hello preschool families!

This week, we will continue our Safety and Community Helpers unit of study. School Safety Week will be the week of September 20<sup>th</sup> (next week). We will be learning about and practicing various safety drills that week. New toys and books will be placed in classroom centers reflecting the current unit of study.

Check out the new link on the 5-day class page for [weekly Bible newsletters](#)! This week, we are on Week 4. We will be learning about Noah's Ark. You can help by reviewing this story with your child together at home. Fun idea: have your child draw a picture of his favorite part of the story. Your child can describe his drawing to you once it is completed.

I loved seeing all of the SeeSaw posts this weekend! Keep up the awesome work! More activities will be added this week, too, if you'd like to try some! Also, as we learn letters and numbers, if your child wants to go on a scavenger hunt to find the letters/numbers of the week, you can upload these to SeeSaw as well. These do not need to be linked to an assigned activity and can be uploaded separately.

As always, please do not hesitate to contact me with any questions or concerns. ☺

### Skills of the Week

**Literacy:** We will be focusing on the letters B, F, O, and G this week. We will also practice with our first and last names and identifying the beginning sounds in some words.

**Math:** We will be focusing on the number 3 (three) this week. We will also be practicing with spatial relationships and positional words (over, under, next to, behind, etc.)

### Ways You Can Help

We are beginning our Safety and Community Helpers Unit of Study. If you have a job as a community helper and would like to schedule a time to come into our class to talk about your job this month, please contact Ms. Barker. We would love to have you!

Also, if you have any magnetic letters/numbers or tiles, etc. to donate for us to use for classroom activities, we'd really appreciate it!
