Message from Ms. Barker

Hello preschool families!

This week, we will conclude our Safety and Community Helpers unit of study. We will begin a new unit of study next week. You can reinforce our discussion of fire safety at home by having a home fire drill and establishing a special meeting place outside of your home in case there is a fire.

Check out the new link on the 5-day class page for [weekly Bible newsletters](#)! This week, we are still on Week 5. With Safety Week last week, we didn't get through all of the Bible lessons. We will be learning about The Tower of Babel. You can help by reviewing this story with your child together at home.

Family Education Night is coming up on October 5th! Due to the rising number of COVID cases in the area, this event will be held virtually over Zoom.

If possible, please put your child's name on his water bottle. Some students have the same water bottle and this will help ensure that water bottles do not get mixed up.

Also, if you can, try to email both teachers, especially when regarding absences or change in pick up. Ms. Heather may be able to reply more quickly. Also, if I am ever out, Ms. Heather will need this information. If your child attends childcare, please also inform [Mrs. Lucke](#) of any absences.

As always, please do not hesitate to contact me with any questions or concerns. ☺

Ways You Can Help

Thank you to those of you who donated magnetic letters/numbers to our classroom!

You may have read in the all-school newsletter that we are looking for gift cards or good or services to include in our Silent Auction at the Fall Festival next month! If you'd like to donate any items or special talents for the auction, please send them to school with your child, drop them off with Mrs. Fleming, or contact Ms. Barker/Mrs. Fleming to make arrangements/discuss ideas.
